

# Serving

We believe that everyone has a part to play in the church, so that it can be everything God intends it to be. Serving is an opportunity to participate in church life and make a contribution through your gifts, skills and time. The various ways that you can serve at The King's Church are outlined below. They require different levels of commitment and frequency.

## **HOSTING** **SUNDAY TEAM**

Sunday mornings

The hosting team is the first point of contact, a friendly face to welcome the church family and greet newcomers. They will also be able to point you in the right direction, if needed.
