Summer Gift Day
30 June 2024

We want to see our young people transformed by the love of God, grow deeper in their relationship with Him, and live out their faith every day.

This summer, we have the opportunity to invest in our youth.

Newday, one of the biggest Christian youth festivals in the UK, has been a key milestone in many young people's journey with God. This year, we are taking a group from King's and facilitating two other local church youth groups to attend with us.

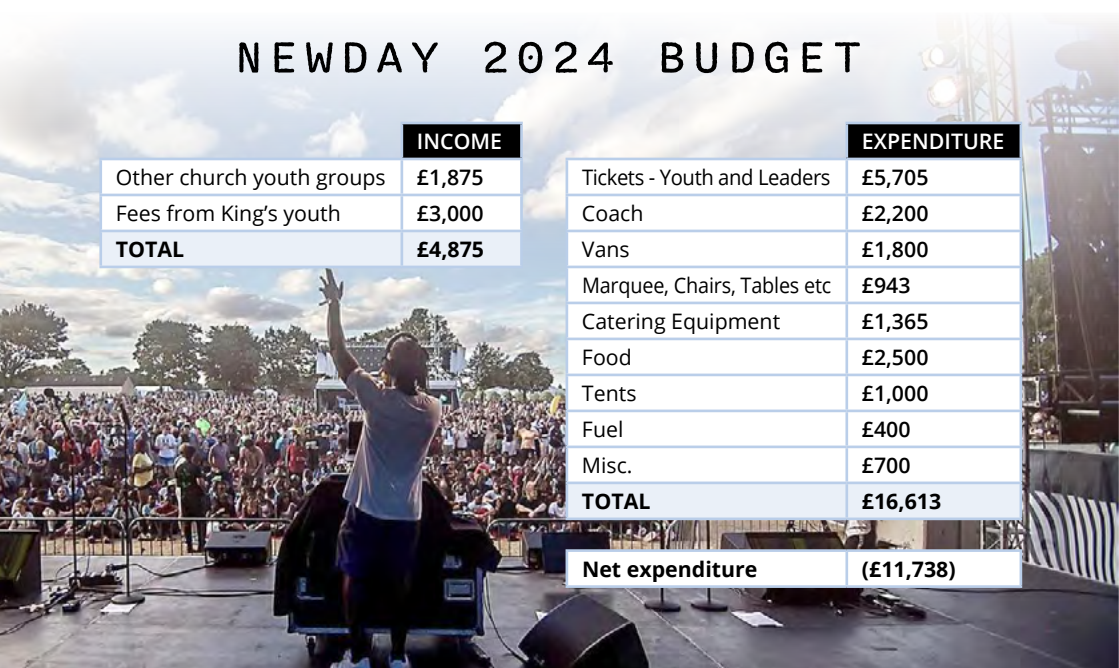

With ticket prices increasing this year, the overall cost to take our youth to Newday is higher. We don't want money to stop anyone from attending, so we are keeping costs as low as possible. Families will primarily cover the ticket fee, while we hope to raise funds of **£11,738** for coaches, marquees, catering and all other related costs through our Summer Gift Day.

What an amazing opportunity we have,
as a local church, to strengthen
and encourage our young people!

"Over the 17 years I attended Newday, both as a youth and as a leader, it was incredible to see so many young people's lives affected by what God was doing. Hundreds coming to know Him for the first time, hundreds more being healed from various conditions, and thousands being equipped to go back to their churches and areas where they live with something new of what God had in store for them."
